

# Paying for Care Plans

Attendance Allowance is a benefit for people over State Pension age who need help with personal care or supervision because of illness or disability. You can find out more and how to claim here [www.gov.uk/attendance-allowance](http://www.gov.uk/attendance-allowance)

You may be eligible for NHS-funded nursing care if you live in a Nursing Home. If you qualify the NHS pays a flat rate towards the nursing care component of your fees. It is paid directly to the Nursing Home. Please ask the home manager for more detail.

We recommend you speak to a Care Funding Specialist. The Care Advice Service offers a free consultation. They will discuss and feedback on your specific situation and suggest further help that may be available. Phone 01603 552104

Care Plans. You could consider securing your care funding with a guaranteed income. In exchange for a lump-sum payment an Insurance Company would pay a monthly benefit for life to help fund your care fees. Contact the Care Advice Service for more information 01603 552104
